

CHIMNEY SWEEPING & STOVE SERVICES

STANDARD CHIMNEY SWEEP & SAFETY CHECK – £75

Includes:

- Full chimney sweep
- Visual inspection of appliance and accessible flue components
- Basic safety check
- Minor service adjustments where possible

ADDITIONAL CHIMNEYS

- £65 per additional chimney swept at the same property

CCTV FLUE INSPECTION – £25

Includes:

- Internal camera inspection of the flue system
- Identification of blockages, defects, damage, or excessive deposits
- Suitable for customers requiring additional reassurance or investigation of suspected issues

FLUE BLOCKAGE & BIRD NEST REMOVAL – £175

Includes:

- Up to 2 hours labour
- CCTV inspection where required
- Removal of accessible blockages and nests

ROOF ACCESS & WORKING AT HEIGHT – From £100

Applicable where roof access is required for inspection, removal work, installation support, or repairs.

STOVE ROPE REPLACEMENT

- From £35

Price dependent on appliance type and rope size.

REPAIRS & MAINTENANCE

- Minor repairs carried out where possible
- Replacement parts and materials charged separately

ADDITIONAL LABOUR

- £65 per hour

Applicable where work extends beyond the normal scope of service or included time allowances.

PLEASE NOTE

Most standard chimney sweeps are completed within 1 hour.

Flue Blockage & Bird Nest Removal includes up to 2 hours labour.

Additional labour beyond the normal scope of work or included time allowances is charged at £65 per hour.

Prices are based on normal access conditions.

Heavily neglected systems, difficult access, severe blockages, excessive soot or tar build-up, or unforeseen complications may require additional time or be quoted separately.

All additional costs will be discussed and agreed before work begins.
